

## Wall Pot Hanger – Column Assembly

- Step 1: Hang two pot hangers back to back from the same hook.
- Step 2: When hanging the second level of pot hangers, hung over both of the spines of the first level pot hangers.
- (As indicated in the picture).
- This is recommended to provide extra strength and support for the pot hanger column.
- Step 3: Repeat the process in step 2 until the desired length of the column is achieved.
- Step 4: Pot up your favorite plants.
- Step 5: Place in hangers
- Step 6: Sit back and enjoy the view.
